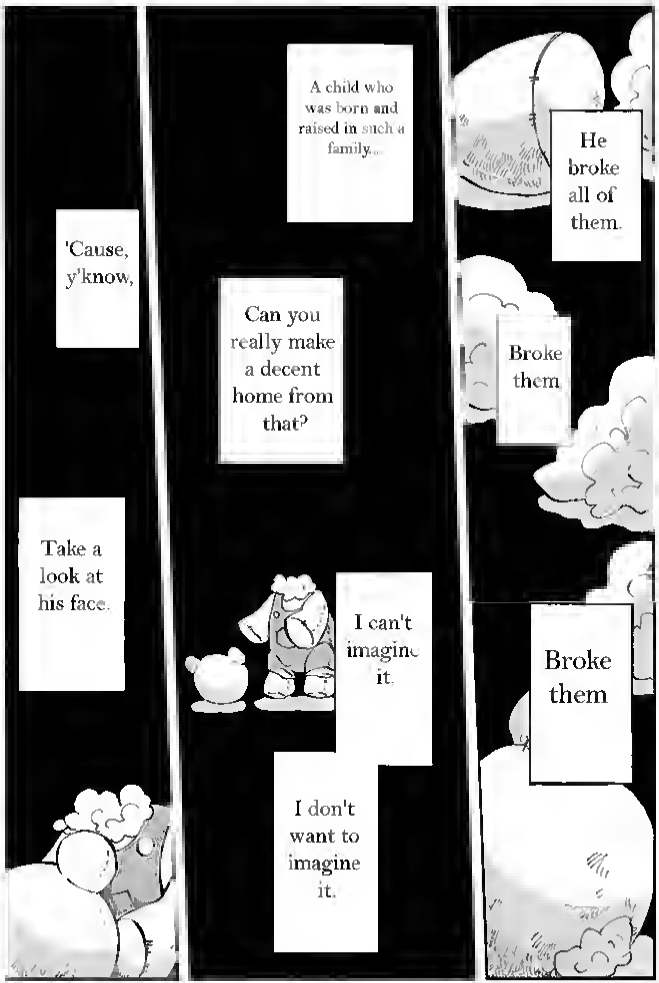
Regardless of the person's intention to make the surrounding people unhappy
Those kind of people should not have a family.
I've always thought so
Even now, I still think so
There are definitely people who shouldn't be parents



'Cause, y'know,

A child who was born and raised in such a family...
Can you really make a decent home from that?
I can't imagine it.
I don't want to imagine it.
He broke all of them.
Broke them
Broke them

YOU GOT THE SAME FACE AS YOUR FATHER, RIGHT?
